

To: **20/20 Owners (Gen 3)**  
From: **FPS Joe Aungst: 989-620-0044 Office: 989-593-3464**  
Date: **Wednesday, 3/20/2024**  
Location: **AgroLiquid, 3055 M-21, St Johns, MI 48879**

Join us for our annual 20/20 Gen 3 training on **Wednesday, March 20, 2024**. We will cover 20/20 updates that will make using your monitor even more convenient.

**9:00 am:** Basic 20/20 Gen 3 training  
**12:00 NOON:** Lunch will be provided.  
**1:00 pm:** Advanced 20/20 Gen 3 training

**Be sure to bring the following with you to the meeting:**

1. 20/20 Monitor 
2. 110v 20/20 power supply 
3. iPad & Charging Cord 
4. Display Base Module (DBM) 
5. CAT5 Cable for DBM 

**Mark Wednesday, March 20, 2024 on your calendar.**

**FPS Join us at a 20/20 Training to receive (1) free phone support call and (1) free service call during 2024!**

We could be planting by mid-April this year. Do you feel confident that your meters will work properly? If not, bring them to **FPS**, where we will calibrate and repair them for your planting needs.
