Join us for our annual 20/20 Gen 1 & Gen 2 training on **Tuesday, March 19, 2024**. We will cover 20/20 updates that will make using your monitor even more convenient.

**9:00 AM:** Basic 20/20 Gen 1 & 2 Training  
**12:00 NOON:** Lunch will be provided.  
**1:00 PM:** 20/20 Gen 1 & 2 Advanced Training

We could be planting by mid-April this year. Do you feel confident that your meters will work properly? If not, bring them to **FPS**, where we will calibrate and repair them for your planting needs.

**Be sure to bring the following with you to the meeting:**

1. 20/20 Monitor
2. 110v 20/20 power supply
3. iPad
4. USB, iPad charging cord

**Mark Tuesday, March 19, 2024 on your calendar.**

**Join us at a 20 | 20 Training to receive (1) free phone support call and (1) free service call during 2024!**
